Guided Discussion Questions

The MFLN Early Intervention team seeks to provide practitioners with resources that support the important work they do with military families. These guided discussion questions are designed to be used with children from ages 3-6 at home or in preschool settings. These questions can be used with children who have a loved one in the military or children who want to gain a better understanding of military life.

Mama's Right Here by Susan Kerner

1. What do you love about your family?
2. What does the girl do that is like her mama?
3. Do you act or look like someone in your family?
4. Where does the child see her mama when she looks at the sky?
5. What do you wish someone you love could see you do?
6. How do you feel when someone in your family is away?
7. How do you remember them while they are gone?
