Engaging Military Fathers to Model Healthy Relationships for their Children: Lessons from Promundo's Global Work with Dads

Promundo works with men and boys from diverse backgrounds and communities to support men's wellness and encourage their active participation as positive figures in their relationships with other men, with their spouses and partners and their children. This interactive presentation will share key lessons with military family readiness professionals on what men think about their social expectations and responsibilities to be providers, caregivers, partners, and parents.
