# Coming Together with Sesame Street: Resources for Racial Justice

All kids need a strong individual and group identity, but racism hurts the healthy development of both. Racism hurts our entire society. Whether you and the children in your care are directly affected by racism or you're allies of those who are, engaging honestly and directly with little ones is the beginning of building racial literacy.

Learn about new resources from your friends at Sesame Street to develop children's understanding, curiosity, resilience, and empathy—and to prepare for the task of building a better world by standing up, standing tall, and
