# Warrior Care Recovery Care Coordination Program

The Recovery Coordination Program (RCP) provides the support of Recovery Care Coordinators (RCCs) to wounded, ill and injured Service members to ensure they get the non-medical support they need to create the life they want. The purpose of RCP is to bring awareness to the Defense Health Agency program, partners, and resources. This presentation will provide resource information and tools for providers that supports Wounded Ill and Injured Population, Caregivers, and their Families.

## PRESENTER

**Sandra Mason**

*Director for Recovery Coordination Program*  
Defense Health Agency

Ms. Mason is responsible for the Recovery Coordination Program within the Defense Health Agency; which provides assistance and oversight to Recovering Service Members and their families. She has been a part of the program since July 2008. Ms. Mason brings a wealth of knowledge to the program. She possesses over 30 years of experience in the healthcare arenas as a skilled professional social worker, military officer and administrator. She also has an extensive background in case management, which includes experience working with a broad spectrum of populations. From August 2006 to June 2008, Ms. Mason served as the Personnel Management Officer and Presiding Officer for the D.C. Physical Evaluation Board (PEB) at Walter Reed Army Medical Center. In 2005-2006, she served as a liaison for severely injured Soldiers, linking them to existing services as a counselor advocate at Brooke Army Medical Center in San Antonio, Texas. Ms. Mason received both a Masters of Social Work, in 1989, and a Bachelors of Psychology, in 1985, from Our Lady of the Lake University in San Antonio, Texas.
