Guided Discussion Questions

The MFLN Early Intervention team seeks to provide practitioners with resources that support the important work they do with military families. These guided discussion questions are designed to be used with children from ages 3-6 at home or in preschool settings.

Making Friends Is an Art! by Julia Cook

1. Why doesn't Brown feel like he fits in with the other colors? Have you ever felt that way? What did you do when you felt like that?
2. Light Green tells Brown that to have good friends, Brown needs to be a good friend. What things can you do to be a good friend to others?
3. Red tells Brown that he should try to be his own best friend and figure out things he likes about himself. What two things do you like about yourself?
4. What does Black say is special about Brown? (*Brown is made up of all the colors*)
5. What promise did Brown make to himself? (*To stop putting other pencils down*) What things did he do for the other colors? (*Smiled at them, comforted them, listened to them*)
